Power tools for trade & industry

Advantages

- High flexibility – With a width across corners of only 12 mm the GFA 12-E offset angle adapter enables you to work close to edges and walls
- Compatible with GSR 12V-15 FC (0 601 9F6 ...)
- “One-Click” interface ensures a tight fix to the machine at a glance
- Easy to operate – The GFA 12-E can be locked in 16 different positions (360°) without having to remove the adapter from the cordless screwdriver
- Lockable 1/4" universal bit holder locks all conventional drill bits and screwdriver bits
