Product data sheet

Power tools for trade & industry

Advantages

- Keeps you warm for long: Large carbon heating pads for long-lasting warmth with the Bosch 12 V battery (using the GAA 12V, included in scope of supply) or the Bosch 18 V battery (using the GAA 18V-24, available as additional accessory)
- Combining comfort and function: 3 heat levels so you can set your own heat setting, maximum mobility due to optimum fit and a strong, water and wind-resistant soft shell material
- Take advantage of the battery power to charge your mobile phone, listen to music, etc. – via the USB port on the battery adapter
