Laser Measure

## GLM 250 VF Professional

**GBP 359.92\***

\* Price including VAT

The laser measure with the longest range

**Part number:** 0 601 072 100[> More product information](#)

## Technical Data

### webshop-pdp-section-technical-data-table-key- Technical data

|                               |                |
|-------------------------------|----------------|
| Laser diode                   | 635 nm, < 1 mW |
| Measurement range             | 0,05 – 250,00  |
| Laser class                   | 2              |
| Measurement accuracy, typical | ± 1 mm         |
| Measurement time, typical     | < 0.5 s        |
| Measurement time, max.        | 4 s            |
| Automatic deactivation        | 5 min.         |
| Units of measurement          | m/cm/mm        |
| Memory capacity (values)      | 30             |
| Dust and splash protection    | IP 54          |
| Tripod thread                 | 1/4"           |
| Viewfinder                    | integrated     |

### webshop-pdp-section-technical-data-table-key- Battery and power

|              |                      |
|--------------|----------------------|
| Power supply | 4 x 1.5 V LR03 (AAA) |
|--------------|----------------------|

### webshop-pdp-section-technical-data-table-key- Size and weight

|                 |         |
|-----------------|---------|
| Weight, approx. | 0.24 kg |
|-----------------|---------|

Power tools for trade & industry

## Advantages

- Ideal for outdoor use: integrated telescopic viewfinder for optimum visibility of the laser point up to a distance of 250 m
- Maximum measurement performance and precision, even in adverse lighting conditions, due to large glass lens and ceramic optics carrier
- Numerous easy-to-operate measurement functions for fast and accurate calculation of distances, areas and volumes
